## **INFORMATION ON THE ATHLETIC PROGRAMS AT DHS**

Dublin High offers 24 different sports, throughout the academic school year. In order to tryout and participate in any of the programs you must maintain a minimum GPA of 2.0 with no more than 1 "F". All athletes must complete the online registration process through [AthleticClearance.com](http://AthleticClearance.com) for each season of sport they participate in. An important piece to the clearance process is a valid physical - all physicals must be renewed on a yearly basis, therefore we urge all incoming athletes to have a physical during the summer so that way the physical last a whole academic year. Registration will open at least 1 month prior to the start of the season and end 1 week after the start of the season. Please go to the Athletic Clearance tab at [dublinathletics.org](http://dublinathletics.org) for more information.
