4. All parent & high school volunteers must be cleared through Be A Mentor

5. PFC enrichment programs must serve a minimum of 10 students.

6. PFC enrichment programs are self-funded (students participating in the programs are responsible for the fees).

7. Donations/Fees to PFC enrichment programs will accrue to Fallon PFC, and reimbursement requests for enrichment expenses will be made to the PFC treasurer.

8. Funds for enrichment programs may be carried over to the next school year upon written request by the club lead or will be returned to the PFC General Fund at the end of the financial year.
