2. After the PFC Board has given approval, volunteers shall begin the volunteer clearance process.

The district has partnered with Be A Mentor, Inc., to support the registration and screening process of school volunteers. Volunteers register online through a system hosted by Be A Mentor, Inc. This is a new way of processing the clearance of volunteers/chaperones. Please go to this link [Be A Mentor](#) to get cleared for all volunteer/chaperone activities you are interested in.

3. Room Reservations: For room reservations, please email us and fill out the [Facility/Room request form](#) at least 2 weeks in advance.
