## **Meeting Called to Order: 6:04pm by Jen Pao**

### **Approval of Minutes from October 2025 meeting**

- Motioned by Jen Pao
- Second by Seema Badar
- Approved - All in Favor

### **Principal Report:**

- The Entrepreneur Fair was a success. There were over 35 student vendors. The event prompted an afterschool club for entrepreneurs that will meet once a month after school until the end of the year
- The December rally was really great. The student and teacher feedback was that it was the best one they have had.
- 8th grade students are working on choosing their courses for next year. Fallon will be requesting that the EHS counselors actually visit campus next year to talk with students directly so they get information and can ask questions. This year the counselors only met with parents via a zoom to give info.
- The Fallontines dance will be Feb 20th
- February 11th is the incoming 6th graders parent night at Fallon.

### **Teacher Liaison - Liz Buckley**

- Debate Class/Club is still looking to have their \$750 membership dues funded. Any amount that can be donated would be appreciated.
- Ms. Harris thanks PFC for funding the conference that she requested to go to.
- The 7th grade field trip to Academy of Sciences on Tuesday, April 28th is short on funds after reaching out to parents. Admin is looking to have PFC help fund the balance due for the field trip. To date they have raised 27k but need to get to 30k to cover all the costs.
- Teen Esteem assembly will be coming back to campus on March 4th for a student presentation and then follow it up with a parent presentation on March 11th. The school would like to have the parent night be a community event with food trucks and will offer child care.

### **President Report**

- The PFC and school Admin are working on a date for the Science Fair. PFC is also working to have an Astronomy Night the same evening.
- Before staff left for Winter Break, PFC provided staff with a Boba treat. Thanks to Seema and Nutan for being on campus to help organize this for the staff.
- Ms. Baligaya is working on scheduling a Coffee with the Principal in the coming months.

### **Treasurer Report**

- There were not a lot of changes to the budget in December
- PFC is waiting on invoices from the school for the 8th grade Shakespeare day as well as IXL subscription. These will be charged against the Academic Grant Line item of the budget

### **Public Comment**

- The Alliance will have their final Science Seminar Series at EHS. Speakers from Bio-Rad will be presenting to students.

### **Meeting adjourned by Jen Pao at 6:34 pm**

Next meeting: February 23, 2026 at 6:00pm in the Fallon Library
